

Portfolio Leadership

Government Mobility & Advanced Data Capture

The Ability to **CAPTURE, MOVE** and **MANAGE** Information with a Systems Approach

<p>Mobile Office</p> <p>Radios</p> <p>Rugged PC's</p>	<p>Capture Information in real time, at the point of business activity</p>	<p>Data Capture</p> <p>Mobile Computing</p>
<p>MESH</p> <p>Canopy</p> <p>IP Backhaul</p>	<p>Move Information instantaneously to and from the point of greatest impact</p>	<p>RFID</p> <p>Wi-Fi</p>
<p>Motorola Services</p>	<p>Manage The seamless flow of information with exceptional efficiency and security</p>	<p>MSP</p>

Handheld Mobile Computing Product Portfolio

	Enterprise MC	Industrial MC	Application Specific
Premium	 <p>MC70 802.11 EGPRS EVDO GPS</p>  <p>MC75 802.11 HSDPA EVDO-A GPS Camera</p>	    <p>MC909x 802.11 / EDGE / iDEN</p> <p>Patriot 802.11/HSDPA</p>	  <p>MC9090 I-Safe//RFID</p>
Mid Market	 <p>MC55 802.11 EGPRS GPS</p>	<p>MC3000TR 802.11 WM6.1</p>  <p>MC3000TR Gun 802.11</p> 	 <p>VC5000 Forklift Computer</p>  <p>VC6000 In-Vehicle Computer</p>
Value	 <p>MC35 802.11 EDGE</p>		 <p>CA50</p>  <p>MW810 Mobile Workstation</p>  <p>WT4000 Wearable</p>

Bar Code Scanner Portfolio

	<p>Symbol LS4208 High performance laser scanner for high throughput environments where productivity is key; available in 1D only and PDF/Composite configurations</p>
	<p>Symbol LS4278 Bluetooth™ cordless scanner for customers who value high productivity and need the flexibility that cordless scanning offers</p>
	<p>Symbol DS6700 Digital imaging scanner with superior 1.3 megapixel image capture and enhanced omni-directional scanning of 1D, PDF and 2D codes</p>
	<p>Symbol P460 Laser scanner with keyboard and display enabling both inventory (batch) and POS (real-time cabled) data collection of 1D codes</p>
	<p>Symbol P470 Wireless RF Scanner with keyboard and display that enables real-time 1D bar code data collection (Keyless option also available)</p>
	<p>Symbol LS2208 Small, lightweight scanner offers excellent 1D productivity at a reasonable price</p>
	<p>Symbol LS1203 Hybrid design handheld scanner offering plug-and-play, intuitive scanning performance at a value price</p>

	<p>Symbol M2000 Used either handheld or hands-free this laser scanner reads PDF 417 in addition to traditional 1D barcodes and offers four different scan patterns for optimum data capture</p>
	<p>Symbol LS7708 On counter, presentation swipe scanner that offers excellent omni-directional POS productivity on 1D codes for high throughput in retail environments</p>
	<p>Symbol LS7808 In counter, slot scanner for excellent POS productivity in high-throughput retail environments where speeding customers through checkout is a crucial requirement</p>
	<p>Symbol LS9208 Omni-directional hands free or handheld 1D scanning for maximum productivity offering single line scan pattern mode for reading bar code menus and pick lists</p>
	<p>Symbol LS9203 Omni-directional hands free or handheld 1D scanning targeted at retailers (Tier 3 and below) who need good performance at a value price</p>

Comprehensive Portfolio

Indoor WLAN	Outdoor Wireless	Voice & Messaging Solutions	One Point Wireless Suite
<p>Largest Installed Base of Wireless Switches – 135,000 Wi-NG architecture with adaptive technology supports up to 12,000 APs per cluster, FIPS 140-2 & CC EAL4</p> 	<p>Market Leading Point to Point Solutions 300 Mbps at up to 128 miles T1/E1 Replacement</p> 	<p>Voice Server PBX Integration / Telephony Extn. Push To Talk / Dispatch (Wi-Fi) SIP Proxy/Registrar Cellular – Wi-Fi Seamless Roaming</p> 	<p>Indoor RF Management Industry leading Planning Tool Configuration and Compliance Monitoring and Troubleshooting, Locationing Security</p> 
<p>Most Comprehensive Access Point Portfolio Thick, Thin, Adaptive, Outdoors, C1D2, Mesh, Sensor</p> 	<p>Market Leading Point to Multipoint Solution 21 Mbps at up to 5 miles T3 Replacement</p> 	<p>Enterprise Wi-Fi/Dual Mode Handsets</p> 	<p>Wireless IPS with 35 of Fortune 100 customers Industry leading overlay security offering intrusion protection, policy enforcement, and advanced forensics</p> 
<p>Unique Client Products Bridge and OEM Cards provide unique understanding down to the client</p> 	<p>MOTOMESH Coverage across large outdoor spaces such as cities, campuses, utilities and oil and gas fields</p> 	<p>Good Mobility Suite Device independent messaging</p> 	<p>Outdoor Wireless Management One Tool for Monitoring and Troubleshooting All Outdoor Nodes - Google Earth Network Map</p>
